

# RECRUITMENT & INNOVATION

## Recruitment

The Danny Sullivan Group provides the entire spectrum of trades and labour to the UK construction and civil engineering industry. And, unlike temporary labour agencies, Danny Sullivan staff are all fully employed by the Company. Our induction team are accredited to vet all staff, carry out drug & alcohol testing and ensure that all labour is compliant with health & safety, immigration and employment legislation. And our in-house training team ensures the members of our workforce all have the necessary qualifications and tickets to work safely and effectively.

### *Vetting of candidates – what process do we put them through:*

- Quick and easy online application.
- Review CV's.
- Conduct phone interviews.
- Complete full and in-depth compliance checks.
- Contact referees and require candidate to come to our premises for full induction process.

### *Quality Monitoring – our labour and the relationship with the ops managers.*

From groundsmen, pipe layers and road workers, to electricians, plumbers and carpenters, and all the way up to site supervisors and foreman, we guarantee our clients only receive the highest quality and fully compliant labour in the UK.

## Innovation

Danny Sullivan Group has been established for over 30 years and can demonstrate our ethos on delivery, frequently in a principle supplier status, on some of the largest most prestigious contracts in the country in a wide range of industry sectors. We have a unique attitude – our customers come first.

We create value through the innovation of our workforce. Our agreed rates are competitive within all landmark projects and this generates a reliable, consistent and regular workforce. We are committed to collaborative working and all engagements with our clients are totally transparent.
